

ATTENTION DISABILITY ADVOCATES

Join us on Tuesday, March 4th on the North side of the Texas Capitol, gather at 1:30 pm to send a message to Attorney General Ken Paxton: **Don't Mess with 504.**

Atty General Ken Paxton and 16 other states are suing in "Texas v Bercerra" on a regulation defining gender dysphoria as a disability. Atty General Paxton is asking the court to make ALL OF Section 504 of the Rehabilitation Act UNCONSTITUTIONAL.

This would have a devastating effect on all programs (like healthcare, public transit, housing, and much more) that receive Federal Financial dollars.
